Fee for Adding or Dropping Courses

A fee of \$3.00 will be charged for each course which is added or dropped. Example: to drop Education 7401, and add Education 7301, the fee will be \$6.00.

Registration Materials

Packets will be mailed in groups throughout the first part of May to all currently-enrolled students, and to all former students WHO COMPLETE ADMISSION OR RE-ADMISSION REQUIREMENTS BY SATURDAY, May 14, 1966. Those completing admission requirements after that date, may pick up materials at 1:00 P.M. on Thursday, June 9. Each student will receive two complete packets. One of these is to be used the first term, and one for the second term.

New students may secure their packets from the graduate office if all requirements have been met two weeks prior to the students' interview.

Take good care of the second packet so that you will have it available for use during the second term. If you do not return for the second term, destroy the packet—but only after you are sure that you will not return for the second term.

IF YOU ARE NOT PLANNING TO ENROLL FOR THE SUMMER SESSION, YOU MAY DESTROY BOTH PACKETS. DO NOT DESTROY THE PACKETS UNTIL YOUR SUMMER PLANS ARE ABSOLUTELY FINAL.

### ADMISSION PROCEDURE

1. Submit an application for admission on form provided by Admissions Office two weeks prior to registration. A \$5.00 service charge must accompany this application.
2. Supply two official copies of undergraduate work showing bachelor's degree. (Memphis State University graduates will have transcripts provided.)
3. Students seeking post-Master's work will submit two transcripts for all undergraduate and graduate courses. Test scores will not be required for post-Master's enrollment. Degree requirements will be explained during the interview with the Graduate Dean. All those beginning to take post-Master's work will be carried as unclassified students until they are accepted for degree candidacy.
4. An entrance examination is required of all who apply to take graduate work if the applicant does not hold a Master's degree. A score on either of the national tests is required. The Miller Analogies Test is given on campus several times each semester by the Testing Center, room A204; students may write there for information. The Graduate Record Examination Aptitude test is given four or five times a year; students may write to Educational Testing Service, Princeton, N. J., for applications.
5. A fee of \$4.00 is charged for giving the M.A.T. It must be paid at the Business Office prior to the examination. The receipt is required for admission to the testing room.

### REGISTRATION PROCEDURE

Secure registration materials (packet) as directed on page 1. Confer with your adviser (Advisers are assigned to all new students by the Graduate Dean, room A210). Fill in all information requested on each card. Secure adviser's approval on Orange card. Obtain course cards in the Registration Center on registration day, go through check out, pay fees, and secure parking permit if needed. Parking permits are valid until September 1. New graduate students must arrange a conference with the Graduate Dean. This applies to all students enrolling for post-Master's credit.

## Former Students

A former student is defined as a student who has previously been enrolled in Memphis State but who was not enrolled during the Spring Semester. In order to gain readmission for the Summer Session, former students must take the following steps:

- (1) Obtain from the Office of Admissions and Records an application for readmission. Complete this application and return to the Office of Admissions and Records.
- (2) Request the registrar of each college attended, if any, to mail an official transcript of credits to the Office of Admissions and Records.

After the former student has completed the above procedure, he will be sent a notice of his readmission status by the Office of Admissions and Records. Those former students who do not complete admission requirements in time to receive their registration materials via mail must present this notice of readmission on Thursday, June 9 in order to obtain registration materials.

## Current Students

Current students *do not have* to notify the Records Office of their intention to re-enroll in the summer. Packets will be prepared and mailed to all students enrolled during the Spring Semester—with the exception of students having outstanding financial obligations at the time packets are prepared. Students having outstanding financial obligations will not be able to obtain packets till Thursday, June 9 at 1 P.M. Current students not planning to attend the summer session should destroy their packets—but do not destroy the packet until you are absolutely sure of your plans.

## Graduate School Regulations

1. Twelve semester hours not including inter-session or post-session shall be maximum load for students devoting the full summer to graduate study. Students may register for six semester hours during one term of the summer session. Students who are employed may not enroll for a full load.
2. After a graduate student has completed his registration, it cannot be changed without approval of the Dean of the Graduate School. The adjustment will originate in the office of the Dean, and the change-of-course must have the approval of the student's adviser and the Dean of the Graduate School.

### ADDING

- No first term course may be added after June 15.
- No second term course may be added after July 21.

### DROPPING

- No first term course may be dropped after June 17.
- No second term course may be dropped after July 25.
- No two-term course may be dropped after June 24.

### WITHDRAWAL

- No withdrawal from first term after July 7.
- No withdrawal from second term after August 11.

3. Failure to give official notice of complete withdrawal from Graduate School in writing will result in a grade of "F" in each course for which the student was registered. Address your notice of withdrawal to the Dean of the Graduate School.
4. To become a candidate for a degree, the student must file an application on blanks available at the Office of the Dean. The application must contain plans for a complete program of graduate study and be approved by a faculty adviser in both the major and minor areas. Unless "Intent to Graduate" cards are on file by July 22, one cannot be assured of diploma on August 20, 1966.
5. A student must have an overall B average in graduate courses at the beginning of the semester in order to be placed on the list for graduation in that semester.
6. If a student withdraws from the University within four days after the beginning of classes for the semester, a refund will be made of 80% of fees; each four days thereafter, the amount will be reduced 20%.
